Director probity reviews and elections

Every appointment of a Crown Director is subject to receipt of necessary gaming regulatory approvals.

The gaming industry is highly regulated and each of the casinos in which Crown has an interest is subject to extensive regulation under the laws, rules and regulations of the jurisdiction where it is located.

Officers, Directors and certain key employees of Crown and its licensed subsidiaries must file applications with relevant gaming authorities and may be required to be licensed in certain jurisdictions. These investigations generally concern the responsibility, financial stability and character of the owners, managers and persons with financial interests in gaming operations and generally include requirements to obtain police checks and credit checks and undergo fingerprinting.

A Director will only be formally appointed once all necessary gaming regulatory approvals have been obtained. As a separate exercise, Crown undertakes its own internal investigations on the suitability of nominated Directors as a pre-condition to a recommendation to the Board to appoint a Director.

The Company's Constitution requires that an election of Directors must take place each year. In addition, Directors appointed to fill casual vacancies during the year must retire from office at the next annual general meeting following his or her appointment but are eligible for re-election by shareholders at that time. The Notice of Meeting for an annual general meeting sets out the background for the election and re-election of Directors, informs shareholders where they can find background information on the skills and experience of the relevant Director and provides a recommendation of the Board in relation to the proposed election or re-election.

Accordingly, shareholders are provided with all material information in Crown's possession relevant to a decision on whether or not to elect or re-elect a Director.

More information

Copies of Crown's past and present Notices of Meeting are available at: www.crownresorts.com.au under the heading Investors & Media – Annual Reports.

Director and Senior Executive agreements

Crown Directors are provided with an induction pack upon appointment which, among other things, includes a letter agreement setting out the terms of that Director's appointment. The letter agreement, which each Director must countersign, describes when the appointment commences and when it ends, sets out the Director's powers and duties and the agreed remuneration arrangements and obliges the Director to comply with all Crown Policies, Procedures and the Code of Conduct. In addition, the letter agreement requires the Director to enter into a separate undertaking to inform Crown of any interests that Director may have in Crown securities (and contracts relevant to Crown securities) so that Crown is able to comply with its disclosure requirements under Listing Rule 3.19A to provide ASX with completed Appendices 3X, 3Y and 3Z within the time period allowed by the ASX Listing Rules.

Each senior executive of Crown has an employment contract setting out the terms of that senior executive's appointment.

Company Secretary accountability

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board. The decision to appoint or remove a Company Secretary must be made or approved by the Board.

The role of the Company Secretary is set out in the Crown Board Charter and includes:

- advising the Board and its committees on governance matters;
- monitoring that Board and committee policy and procedures are followed;
- coordinating the timely completion and despatch of Board and committee papers;
- ensuring that the business at Board and committee meetings is accurately captured in the minutes; and
- helping to organise and facilitate the induction and professional development of Directors.

Diversity Policy

Crown has established a policy concerning diversity and disclosed its policy on its website. The policy includes requirements for the Board to establish measurable objectives for achieving gender diversity and for the Board to assess annually both the objectives and the progress in achieving them.

In accordance with the policy, Crown has established the measurable objectives for achieving gender diversity set out below.

Objective	Crown's Progress
1. To require that at least one female candidate is presented on candidate short lists for all Senior Management and Senior Executive positions within the group for which a recruitment process is undertaken.	Female candidates were presented on short lists for 95% of all Senior Management and Senior Executive positions during the financial year.
2. To maintain the level of female participation in leadership and development programs (which incorporate targeted mentoring/coaching elements) across the group at no less than 45% of all participants.	During the financial year, Crown's wholly-owned properties achieved 45.2% female participation in leadership and development programs. There were a total of 366 participants.
3. To conduct a review on an annual basis of the remuneration for key roles within the group to ascertain the existence of any gender pay gaps and to implement action plans to address any such gaps.	<p>Crown has continued to apply a variety of internal and external equity testing in relation to remuneration decisions at various points throughout the year, of which gender equity has been a key feature.</p> <p>The testing and analysis applied has included:</p> <ul style="list-style-type: none"> • validation of salaries at the start of the recruitment process, whereby non-Enterprise Agreement roles have their salaries validated prior to approval to hire; • Workplace Gender Equity Agency (WGEA) reporting requirements, where gender demographics as well as the gender pay gap is assessed; and • annual performance and remuneration review processes, whereby a detailed analysis of all salaried roles is undertaken to understand and identify areas where individuals performing similar roles are validated to ensure there is internal parity. Where these cases are identified, a case has been made to remedy them at the mid-year point. <p>These processes have identified the existence of a gender pay gap which is currently being reviewed by Crown management. A number of recommendations have been made to address the issue, which are subject to review.</p>

Objective	Crown's Progress
4. To participate in the Male Champions of Change program and to implement relevant actions arising out of that program.	<p>Crown has continued its participation in the Male Champions of Change (MCC) program during the financial year. Through this program, the following were achieved in FY17:</p> <ul style="list-style-type: none"> • a Gender Equity Group was formed in a bid to better understand the challenges our employees face and to come up with ideas of how we can start to address them; • a Flexible Work Arrangement Policy was implemented at Crown Melbourne, which clarified the informal arrangements already in place, and introduced other options such as job share and phased retirement; and • participation in a variety of discussions and forums hosted by the MCC program, increasing our knowledge and understanding of what other organisations are doing in the diversity and inclusion space. <p>Following the departure of Rowen Craigie (Crown's former Chief Executive Officer and Managing Director), Ken Barton (Crown's Chief Financial Officer and CEO Crown Digital) was invited to join the Victorian Chapter of the MCC program as a Crown representative.</p>
5. To identify and implement development plans for high potential women for career progression as part of the company's succession planning processes and to ensure that these development plans are reviewed annually by the CEO.	<p>Women of Crown Management Program, a tailored 12 month learning and development program, was designed, developed and launched to support high potential women in their career progression.</p> <p>The program focusses on key aspects needed to enable career progression including networking opportunities, talks with broader industry leaders such as the CEO of the Victorian Property Council and invitations to relevant industry events.</p> <p>The CEO of Australian Resorts is provided with an update of each participant's progress at the end of the 12 month period as well as a clearly articulated development plan to aid their career progression. Ongoing evaluations of their progress continue to be made after completion of the program.</p> <p>Twelve high potential women were selected through the annual talent review process. These women were allocated a Crown Executive mentor to meet with and guide them throughout the program.</p>

The proportion of women employees in the group, women in senior executive positions and women on the Board as at 30 June 2017 is as follows:

Measure	Result
Proportion of women employees in the group	There were 4,971 women in the group. This represents 42% of the total workforce of 11,835 employees.
Proportion of women in senior executive positions in the group	There were 13 women in senior executive positions in the group. This represents 18% of senior executive positions in the group.
Proportion of women on the Board	There were two women Directors out of a total of eight Directors, or 25%.

For the purposes of these statistics, the term "senior executive position" refers to the Executive Team and Board members of Crown Resorts Limited, Crown Melbourne and Crown Perth as well as the most senior leaders from each operational unit therein. The Executive Team is comprised of persons with titles in the nature of, or similar to, Executive General Manager, General Manager, Chief Information Officer, Chief Marketing Officer and General Counsel together with the Chief Operating Officers, Chief Financial Officers, Chief Legal Officers and Chief Executive Officers within the group.

Crown's Audit and Corporate Governance Committee has been delegated responsibility for developing and monitoring the application of Crown's Diversity Policy.

As noted above, Crown's Diversity Policy requires that Crown reviews its Gender Objectives annually to ensure that they remain relevant and appropriate for Crown. The Audit and Corporate Governance Committee formally reviewed the Gender Objectives and resolved to amend Objective 1 and replace Objective 5. In summary:

Objective 1

Objective 1 has been strengthened by requiring at least one female Senior Manager or Senior Executive to be involved in the recruitment process of Senior Managers or Senior Executives. This has resulted in the existing objective being improved to read:

To require that at least one female candidate is presented on candidate short lists and at least one female from Senior Management is involved in the interview process for all Senior Management and Senior Executive positions within the group for which a recruitment process is undertaken.

Objective 5

Objective 5 has been replaced with the following objective:

To task the Gender Equity Group to develop a Gender Action Plan for FY18 to FY21.

The Committee was of the view that an objective focussed on a Gender Action Plan is more robust and cements Crown's commitment to diversity.

Accordingly, the Audit and Corporate Governance Committee adopted the following revised Gender Objectives with effect from 1 July 2017:

1. To require that at least one female candidate is presented on candidate short lists and at least one female from Senior Management is involved in the interview process for all Senior Management and Senior Executive positions within the group for which a recruitment process is undertaken (**Modified Objective**).
2. To maintain the level of female participation in leadership and development programs (which incorporate targeted mentoring/coaching elements) across the group at no less than 45% of all participants.
3. To conduct a review on an annual basis of the remuneration for key roles within the group to ascertain the existence of any gender pay gaps and to implement action plans to address any such gaps.
4. To participate in the Male Champions of Change program and to implement relevant actions arising out of that program.
5. To task the Gender Equity Group to develop a Gender Action Plan for FY18 to FY21 (**New Objective**).

A report on the progress against the revised objectives will be provided in the 2018 Corporate Governance Statement.

Process for evaluating performance of the Board, its Committees and its Directors

A performance evaluation of the Board and of its Committees is undertaken annually, following completion of each financial year, by way of a questionnaire sent to each Director.

The questionnaire covers the role, composition, procedures and practices of the Board and its Committees. The individual responses to the questionnaire are confidential to each Director, with questionnaire responses provided to the Chair of the Nomination and Remuneration Committee for consideration and provision of a report to the Board.

Crown's Nomination and Remuneration Committee is also responsible for reviewing Crown's procedure for the evaluation of the performance of the Board, its Committees and its Directors.

An evaluation of the Board and its Committees took place following the end of the financial year in accordance with the processes described above.

Process for evaluating performance of Senior Executives

Crown has established processes for evaluating the performance of its senior executives. In summary, each senior executive is evaluated against the achievement of pre-agreed performance objectives. The evaluation process is conducted annually and is followed by the determination of appropriate remuneration of the relevant senior executive.

Detailed information regarding Crown's remuneration practices is provided in the Remuneration Report. An evaluation of senior executives took place following the end of the financial year and in accordance with the processes described in the Remuneration Report.

Principle 2: Structure the Board to add value

Nomination and Remuneration Committee

Crown has established a Nomination and Remuneration Committee. The Nomination and Remuneration Committee has adopted a formal Charter that outlines its duties and responsibilities.

The current members of the Nomination and Remuneration Committee are Geoff Dixon (Chair), Professor John Horvath and Harold Mitchell who are each independent, Non-Executive Directors. Information about each Committee member's qualifications and experience is set out in the Directors' Statutory Report. Information regarding the number of times the Committee met throughout the period and the individual attendances of the members at those meetings has also been provided in the Directors' Statutory Report.

The role of the Committee is to assist the Board to develop, maintain and implement policies in relation to:

1. the selection and appointment practices for Directors; and
2. the remuneration of Directors and relevant executives.

Selection, appointment and development of Directors

The Nomination and Remuneration Committee is required to:

- review Crown's procedure for the selection and appointment of new Directors (Selection Procedure) and make appropriate recommendations to the Board in relation to the Selection Procedure;
- implement the Selection Procedure and make nomination recommendations to the Board;
- develop succession plans in order for the Board to maintain appropriate experience, expertise and diversity;
- review Crown's procedure for the evaluation of the performance of the Board, its Committees and its Directors and be primarily responsible for the implementation of the evaluation process; and
- consider implementing a plan for enhancing Director competencies and ensure that an effective induction process is in place for new Directors.

The Selection Procedure requires that in the event that a new Director appointment is required, the Nomination and Remuneration Committee (on behalf of the Board) must adhere to procedures including the following:

- the experience and skills appropriate for an appointee, the skills of the existing Board and any likely changes to the Board will be considered;

- upon identifying a potential appointee, specific consideration will be given to that candidate's:
 - competencies and qualifications;
 - independence;
 - other directorships and time availability; and
 - the effect that the appointment would have on the overall balance and composition of the Board including by reference to the Crown Board Skills Matrix adopted from time to time; and
- finally, all existing Board members must consent to the proposed appointment.

The Nomination and Remuneration Committee also has responsibility for reviewing the Board Skills Matrix on an annual basis to ensure it remains consistent with the objectives of Crown and existing regulatory requirements and recommendations.

Remuneration of Directors and relevant executives

The role of the Nomination and Remuneration Committee also includes:

1. the review and recommendation of appropriate fees to be paid to Non-executive Directors; and
2. consideration of remuneration policies to be applied to executives, including any equity-based remuneration plan that may be considered, subject to shareholder approval (where required).

Following the end of the financial year, the Committee reviewed and approved:

- the remuneration for Non-executive Directors and senior executives which will apply during the financial year ending 30 June 2018; and
- the short term incentive payments made to senior executives referable to the financial year ended 30 June 2017.

A summary of current remuneration arrangements is set out more fully in the Remuneration Report. The objective of Crown's remuneration policy is to ensure that:

- senior executives are motivated to pursue the long-term growth and success of Crown; and
- there is a clear relationship between the performance of senior executives and their remuneration.

Board Skills Matrix

As noted above, the Selection Procedure for Director nomination requires that the Nomination and Remuneration Committee (on behalf of the Board) considers the effect that any proposed Director candidate would have on the overall balance and composition of the Board including by reference to the Crown Board Skills Matrix adopted from time to time.

The Crown Board has adopted the following Board Skills Matrix which sets out the mix of skills and diversity that the Board is looking to achieve in its membership. The Board Skills Matrix highlights the key skills and experience of the Board and the extent to which those skills are currently represented on the Board and on each of its Committees as at 12 September 2017.

The Board Skills Matrix, albeit important, is only part the Selection Procedure which the Board is required to follow. As noted above, the Nomination and Remuneration Committee has responsibility for reviewing the appropriateness of the Board Skills Matrix on an annual basis.

Succession planning is an important part of the responsibilities of the Nomination and Remuneration Committee as it ensures that the Board maintains appropriate experience, expertise and diversity.

Relationships affecting independence

The table below sets out the Crown Directors as at 12 September 2017, indicates which of those Directors are considered to be independent Directors and notes the length of service of each Director from the date of their appointment to 12 September 2017:

Independent Board Directors

The Crown Board is currently comprised of nine Directors, six of whom are independent Directors. A majority of Directors are therefore independent. The independence of Directors is assessed against a list of criteria and materiality thresholds. Those criteria have been formally enshrined in the Crown Board Charter. Each Director who is listed as an independent Director complies with the relevant criteria for independence set out in the Crown Board Charter.

Board Chair independence

John Alexander is the Executive Chairman of Crown.

Departure from Recommendation 2.5: The Principles and Recommendations recommend that the chair of the Board should be an independent Director and should not be the same person as the CEO. Crown's Executive Chairman is not an independent Director. Crown's Executive Chairman is a senior executive of Crown who has assumed the responsibilities of the former Chief Executive Officer. The Board believes that Crown's Executive Chairman is well placed to act on behalf of shareholders and in their best interests as a whole.

Director professional development

The induction process for new Directors involves both formal and informal elements. As noted above, new Directors are provided with a formal induction pack which includes important information that a Director must know about the Company and their appointment terms and includes copies of relevant constitutions, Board Charters and Policies. In addition, new Directors are provided with tours of Crown's main businesses and the opportunity to spend time with various members of senior management.

The professional development program for Directors has largely consisted of presentations from time to time to the Board regarding issues including developments in accounting standards, updates on legal issues and governance processes.

In an attempt to provide more structure to Director professional development, the Nomination and Remuneration Committee has been formally delegated with responsibility for implementing a plan for enhancing Director competencies and ensuring that an effective induction process is in place for new Directors. This process involves, amongst other things, a review of the Crown Board Skills Matrix and consideration of the extent to which those skills are currently represented on the Board and on each of its Committees. Where skills are not currently adequately represented, appropriate professional development in this area will be considered.

Principle 3: Act ethically and responsibly

Codes of Conduct

Crown has established separate Codes of Conduct that outline the standard of ethical behaviour that is expected of its Directors and of its employees at all times.

Code of Conduct for Directors

The purpose of the Code of Conduct for Directors is to ensure that they have a clear understanding of Crown's expectations of their conduct and reinforces the statutory duties of Directors to, among other things:

- act with proper purpose and honesty, in good faith and in the best interests of Crown as a whole;
- use due care and diligence in fulfilling the functions of office; and
- avoid improper use of information acquired as a Director, improper advantage of the position of Director and conflicts of interest.

Crown Directors have an obligation to be independent in judgement and actions and to take all reasonable steps to be satisfied as to the soundness of all decisions taken by the Board. Directors are required to maintain the confidentiality of confidential information received in the

course of the exercise of their duties and are prohibited from engaging in conduct likely to bring discredit upon Crown.

Finally, Directors are obliged to, at all times, comply with the spirit as well as the letter of the law and with the principles of the Code of Conduct and are encouraged to report suspected unlawful and unethical behaviour.

Code of Conduct for Employees

The Code of Conduct for Employees is a detailed statement of the:

- practices required by employees to maintain confidence in Crown's integrity;
- legal obligations of employees and the reasonable expectations of their stakeholders; and
- responsibility and accountability of individuals for reporting and investigating reports of unethical practices.

More information

Full copies of Crown's Code of Conduct for Directors and Code of Conduct for Employees are available at: www.crownresorts.com.au under the heading Corporate Governance – Codes.

Principle 4: Safeguard integrity in corporate reporting

Audit and Corporate Governance Committee

Crown has established a formal Audit and Corporate Governance Committee to review the integrity of Crown's financial reporting and to oversee the independence of Crown's external auditors.

The current members of the Audit and Corporate Governance Committee are Helen Coonan (Chair), Rowena Danziger and Michael Johnston. All members of the Committee are Non-Executive Directors and a majority of those Committee members are independent Directors.

The Chair of the Audit and Corporate Governance Committee, Ms Coonan is an independent Director who has extensive financial experience. Ms Coonan has served as the Minister for Revenue and Assistant Treasurer and had portfolio oversight of the Australian Taxation Office and the Australian Prudential Regulation Authority.

Further information about each Committee member's qualifications and experience is set out in the Directors' Statutory Report. Information regarding the number of times the Committee met throughout the period and the individual attendances of the members at those meetings has also been provided in the Directors' Statutory Report.

The Audit and Corporate Governance Committee has adopted a formal Charter that outlines its duties and responsibilities. The Charter includes information on the procedures for selection and appointment of the external auditor of Crown and for the rotation of external audit engagement partners.

More information

A full copy of the Audit and Corporate Governance Committee Charter is available at: www.crownresorts.com.au under the heading Corporate Governance – Charters.

CEO & CFO declarations

Before approving the financial statements for each financial period, the Board receives from the Executive Chairman and the Chief Financial Officer a declaration that, in their opinion:

- the financial records of Crown have been properly maintained;
- the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of Crown; and
- that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

Auditor's attendance at AGMs

Crown shareholders are provided with an opportunity at the AGM to ask questions and make comments on Crown's Annual Report and on the business and operations of the Company. Crown's Auditor is required to attend the AGM and shareholders are therefore also provided a reasonable opportunity to ask the Auditor questions about the Auditor's Report and the conduct of the audit of the Financial Report. Shareholders are informed of their opportunity to address the Auditor in the Notice of Meeting for the AGM.

Principle 5: Make timely and balanced disclosure

Policy to ensure compliance with ASX Listing rule disclosure requirements

Crown has a formal Continuous Disclosure Policy in place which is designed to ensure compliance with ASX Listing Rule requirements. The policy details processes for:

- ensuring material information is communicated to Crown's Chief Executive Officer (or equivalent), its General Counsel and Company Secretary or a member of the Audit and Corporate Governance Committee;

- the assessment of information and for the disclosure of material information to the market; and
- the broader publication of material information to Crown's shareholders and the media.

More information

A full copy of Crown's Continuous Disclosure Policy is available at: www.crownresorts.com.au under the heading Corporate Governance – Policies.

Principle 6: Respect the rights of shareholders

Providing online information to investors

Crown has a dedicated corporate website which provides information about itself and its governance to investors. The website has a dedicated Corporate Governance tab which sets out Crown's Charters, Policies and Codes, describes Crown's Board Committees and includes copies of current and historical Corporate Governance Statements and Remuneration Reports.

More information

For more information, visit: www.crownresorts.com.au under the heading Corporate Governance.

Promotion of effective communication with shareholders

The Board aims to ensure that shareholders and prospective investors are kept informed of all major developments affecting Crown.

Crown's investor relations program is designed to facilitate effective communication between shareholders, prospective investors and Crown.

Crown actively engages with shareholders and prospective investors through a program of scheduled interactions with institutional investors, sell-side and buy-side analysts and the financial media. In addition, meetings are held with shareholders and prospective investors on request and responses are provided to enquiries made from time to time.

Crown's investor relations program works in tandem with its obligations under its Continuous Disclosure Policy, a copy of which is available on Crown's website.

Crown's Chief Financial Officer regularly reports to the Board on investor relations matters.

In addition, Crown has a Communications Policy which seeks to promote effective communication with its shareholders. The policy explains how information concerning Crown will be communicated to shareholders. The communication channels include:

- Crown's Annual Report;
- disclosures made to the ASX; and
- Notices of Meeting and other Explanatory Memoranda.

Advance notification of results announcements is made via Crown's website.

More information

A full copy of Crown's Continuous Disclosure Policy and Communications Policy is available at: www.crownresorts.com.au under the heading Corporate Governance – Policies.

Shareholder participation at meetings

Shareholders are encouraged to both attend and participate in all meetings of shareholders. The date of Crown's AGM is advertised well in advance on its website and separately communicated to investors via its investor relations channels.

Shareholders are informed in the formal Notice of Meeting for the AGM of their opportunity to participate in the meeting by asking questions of either Crown Directors or its Auditor.

At the AGM itself, as an introduction to the formal business of the meeting, the Chairman encourages shareholders to ask questions on each item of business and offers a further opportunity to ask general questions at the conclusion of the formal business of the meeting.

More information

Copies of Crown's Notices of Meeting are available at: www.crownresorts.com.au under the heading Investors and Media – Annual Reports.

Shareholder communications

Crown shareholders have the option to receive communications from Crown and to send communications to Crown electronically. Crown's share registry (on behalf of Crown) actively encourages shareholders to receive their shareholder communications electronically and provides online access to shareholder information.

Separately, the Crown website includes a "Contact Us" feature which can be used by both shareholders and others to ask questions of the Company.

Principle 7: Recognise and manage risk

Policy for oversight and management of material business risks

Crown has established a formal Risk Management Committee to provide strategic risk management leadership, oversight and analysis to the Crown Board.

The current members of the Risk Management Committee are Geoff Dixon (Chair), John Alexander and Rowena Danziger. A majority of Committee members are independent Directors.

The Chairman of the Risk Management Committee, Mr Geoff Dixon is an independent Director who has extensive experience in risk management having previously held a number of senior executive positions in large corporations.

Further information about each Committee member's qualifications and experience is set out in the Directors' Statutory Report. Information regarding the number of times the Committee met throughout the period and the individual attendances of the members at those meetings has also been provided in the Directors' Statutory Report.

The Risk Management Committee has adopted a formal Charter that outlines its duties and responsibilities.

More information

A full copy of the Risk Management Committee Charter is available at: www.crownresorts.com.au under the heading Corporate Governance – Charters.

Design and implementation of risk management and internal control systems

Crown has established policies for the oversight and management of material business risks and has adopted a formal Risk Management Policy. Risk management is an integral part of the industry in which Crown operates.

Management is charged with monitoring the effectiveness of Crown's risk management systems and is required to report to the Board via the Risk Management Committee.

The Board convened Risk Management Committee administers Crown's Risk Management Policy.

The policy sets out procedures which are designed to identify, assess, monitor and manage risk at each of Crown's controlled businesses and requires that the results of those procedures are reported to the Crown Board. A formal Risk Management Plan has been developed using the model outlined in AS/NZS ISO 31000:2009 Risk Management – Principles and Guidelines.

The Plan identifies specific Head Office risks in light of major risks identified at an operational level and provides the framework for the reporting and monitoring of material risks across the Crown group.

Management is required to conduct an annual review of the Risk Management Plan to ensure that risk ratings and risk definitions remain appropriate for Crown, and that adequate controls are in place to manage risk.

A review has been conducted during the reporting period and presented to the Risk Management Committee (and the Board). In the course of that review the current Risk Profiles of Crown's major operating businesses were taken into account and the risk environment of its investments also considered.

In addition, the Board has received, and will continue to receive, periodic reports through the Risk Management Committee, summarising the results of risk management initiatives at Crown.

Disclosure of internal audit functions

Crown's major operating businesses (namely Crown Melbourne and Crown Perth) each had an internal audit function in place for the full year that meets the definition of "internal audit" under the Institute of Internal Auditor's International Professional Practices Framework.

The function is internally led and resourced at each business, with supplemental resourcing provided by specialist third parties if required.

Internal audit delivers a comprehensive audit program to provide additional comfort around significant risks, processes, systems and regulatory requirements where assurance is determined to be a priority for that period.

Internal audit coverage is determined using a structured approach. The Boards of each major operating business and management receive regular reports from internal audit on the control environment, areas for improvement and progress in addressing those areas for improvement.

To ensure independence of the function, the Internal Audit Manager reports to the Executive Chairman (together with the Chief Legal Officer, Australian Resorts, as an alternate). Further, each Internal Audit Manager periodically meets with members of the relevant operating subsidiary's Board throughout the year.

As a holding company, Crown does not have a separate internal audit function, however its accounts are subject to third party independent audit.

Disclosure of sustainability risks

The Crown group is exposed to a number of economic, environmental and social sustainability risks.

Crown's goal is to be a leader in the entertainment and tourism industry by creating long-term value for its stakeholders across economic, social and environmental dimensions. Crown aspires to be a model corporate citizen and recognises that a company is assessed not only on its financial performance, but also by its commitment to corporate social responsibility (CSR), which includes consideration of, among others, the following factors:

- the quality of its workplace;
- its environmental footprint;
- its level of community engagement;
- the creation of a safe environment for its customers, employees and contractors; and
- the provision of employment opportunities.

Crown has established a Corporate Social Responsibility Committee to assist the Board in setting Crown's corporate social responsibility policies and programs and assessing Crown's corporate social responsibility performance. The Corporate Social Responsibility Committee has adopted a formal Charter that outlines its duties and responsibilities.

The current members of the Corporate Social Responsibility Committee are Helen Coonan (Chair), Professor John Horvath and Harold Mitchell. Information about each Committee member's qualifications and experience is set out in the Directors' Statutory Report. Information regarding the number of times the Committee met throughout the period and the individual attendances of the members at those meetings has also been provided in the Directors' Statutory Report.

The responsibilities of the Committee extend to:

- establishing appropriate corporate social responsibility policies and programs for Crown;
- monitoring and reviewing the operation and effectiveness of Crown's corporate social responsibility policies and programs;
- promoting and supporting continuous improvement in Crown's corporate social responsibility performance;
- encouraging and monitoring the establishment and maintenance of relationships with key stakeholders including non-government organisations, sporting and cultural organisations and other community groups; and
- encouraging and promoting awareness of corporate social responsibility related issues at Crown among Crown's staff and other stakeholders.

The Committee oversaw the development and publication of Crown's Corporate Social Responsibility Report. The Corporate Social Responsibility Report brings together the elements of Crown's CSR activities and programs and identifies and addresses all material economic, environmental and social sustainability risks and Crown's processes for managing them.

A copy of the Corporate Social Responsibility Report can be found on the Crown website.

Principle 8: Remunerate fairly and responsibly

Nomination and Remuneration Committee

As noted in response to Recommendation 2.1, Crown has established a formal Nomination and Remuneration Committee. The Nomination and Remuneration Committee has adopted a formal Charter that outlines its duties and responsibilities.

The current members of the Nomination and Remuneration Committee are each independent, Non-Executive Directors. Information about each Committee member's qualifications and experience is set out in the Directors' Statutory Report. Information regarding the number of times the Committee met throughout the period and the individual attendances of the members at those meetings has also been provided in the Directors' Statutory Report.

Policy for Director remuneration

A summary of current remuneration arrangements is set out more fully in the Remuneration Report. Crown separately discloses the policies and practices regarding the remuneration of Non-executive Directors and the remuneration of Executive Directors and other senior executives in the Remuneration Report.

Restrictions on dealing in equity based remuneration

The rules of the 2014 Crown Long Term Incentive Plan specifically provide that a participant must not grant or enter into any Security Interest in or over any Crown shares that may be acquired under the Plan (Participant Shares) or otherwise deal with any Participant Shares or interest in them until the relevant Participant Shares are transferred from the Trustee to the participant in

accordance with the Plan rules. Security Interests are defined to extend to any mortgage, charge, pledge or lien or other encumbrance of any nature, and includes any derivative relating to or involving a Participant Share. Any Security Interest, disposal or dealing made by a participant in contravention of the Plan rules will not be recognised by Crown.

The rules of the 2017 Senior Executive Incentive Plan specifically provide that a participant must not transfer, encumber, dispose of or have a Security Interest issued over Plan Shares, or any beneficial interest in Plan Shares, unless all restrictions on the transfer, encumbrance or disposal of the Plan Shares have been met or waived by the Board or the Board has provided prior written consent. A Security Interest is defined to include any mortgage, charge, pledge, lien, encumbrance or other third party interest of any nature. The rules of the 2017 Senior Executive Incentive Plan also require participants to comply with Crown's Securities Trading Policy at all times.
